OFFICE OF THE MUNICIPAL COUNCIL

पोर्ट ब्लेयर

PORT BLAIR

Dated: 5th August 2017

Order No: 5264

The Andaman and Nicobar Administration vide Gazette Notification No: 36/2014/F.No.11-43/2013-AR (PF) dated 12th March, 2014 has notified that 'Executive Engineer' will be the PIO for Engineering Wing of PBMC. However since there are many Executive Engineers in the PBMC, there seems some confusion on the issue which is leading to delay in providing information to the applicants under the RTI Act.

To streamline the processing of RTI applications, it is clarified all the Executive Engineers to act as PIO for their area of responsibility/jurisdiction and all the concerned Assistant Engineers to act as APIO.

However for better coordination and to ensure that there is no inconvenience to applicants, Executive Engineer (E&M) shall be the overall in charge of RTI Cell/PIO and the Assistant Engineer (Planning) shall be the overall APIO.
