

नगर पालिका परिषद का कार्यालय  
**OFFICE OF THE MUNICIPAL COUNCIL**  
श्रीविजयपुरम्  
**Sri Vijaya Puram**

F. No.M/359/2024-O/o SE(PBMC)-PBMC\_AN

Date:19-02-2025

### Expression of Interest

The Expression of Interest (EOI) is invited among eligible and accredited laboratories or engineering firms to conduct a **Structural Stability Assessment** of key municipal buildings within Sri Vijaya Puram, Andaman Islands. This assessment is being undertaken by the **Sri Vijaya Puram Municipal Council (SVPMC)** as a **precautionary measure** to ensure the safety, integrity, and longevity of critical infrastructure. The assessment will involve comprehensive structural analysis, including **Non-Destructive Testing (NDT)**, and will help determine any necessary retrofitting or reinforcement measures.

To enhance public safety and ensure the long-term sustainability of municipal structures, SVPMC has initiated a program to assess the structural stability of important buildings. The assessment will focus on evaluating the existing conditions of these buildings and identifying any structural weaknesses or vulnerabilities. The selected contractor will be required to conduct an in-depth analysis and submit detailed reports with recommendations.

**Scope of Work:** The structural stability assessment will be conducted on the following buildings:

1. **Dr. B.R. Ambedkar Auditorium Building** at Sri Vijaya Puram, Andaman Islands.
2. **Delanipur Municipal Market CCS Building** at Sri Vijaya Puram, Andaman Islands.
3. **Indira Bhawan Building** at Sri Vijaya Puram, Andaman Islands.

The scope includes but is not limited to:

- Conducting **Non-Destructive Testing (NDT)** to evaluate the condition of the concrete and structural elements.
- Assessing the overall stability of the buildings.
- Suggesting appropriate retrofitting or strengthening methods, if required.

**Submission Details:** All interested parties must submit their proposals:

1. **Electronically to:**  
Superintending Engineer, SVPMC  
Email: sepbmc19@gmail.com

2. **Physically at:** the Office of the Superintending Engineer, SVPMC, Indira Bhawan, Mohanpura, Sri Vijaya Puram, South Andaman, A&N Islands.

**Terms and Conditions:**

1. The contractor must have a formal **Memorandum of Understanding (MoU) agreement** with a certified testing laboratory.
2. The laboratory must possess valid **National Accreditation Board for Testing and Calibration Laboratories (NABL)** accreditation.
3. The final assessment report must be submitted within **10 days** from the date of the award of the contract.

**Submission Deadline:** All requested information and proposals must be submitted on or before **27.02.2025, 03.00 PM**.

**Superintending Engineer  
Municipal Council**

## QUOTATION NOTICE

To,

.....  
 .....  
 .....

The **Sri Vijaya Puram Municipal Council (SVPMC)** invites quotations from **local firms** for conducting **Non-Destructive Tests (NDT)** and obtaining an **expert structural stability report** for the following works:

### Name of Work:

1. Structural Stability Assessment of **Dr. B.R. Ambedkar Auditorium Building** at Sri Vijaya Puram, Andaman Islands.
2. Structural Stability Assessment of **Delanipur Municipal Market CCS Building** at Sri Vijaya Puram, Andaman Islands.
3. Structural Stability Assessment of **Indira Bhawan Building** at Sri Vijaya Puram, Andaman Islands.

### Quotation Format:

SI No.	Description of Test	Total Amount (Rs.)
1	To carry out structural stability study by conducting required Non-Destructive test for the Structural concrete elements for old Indira Bhawan building at Sri Vijaya Puram with G+2 storied & submission of stability certificate including methods for retrofitting if required for the " <b>Dr.B.R.Ambedkar Auditorium/ Delanipur Municipal Market CCS Building/ Indira Bhawan Building</b> " building located at Sri Vijaya Puram, Andaman including all the expenses associated with the testing & consulting, etc.	
<b>Total</b>		

### Terms and Conditions:

1. The contractor must have a formal **Memorandum of Understanding (MoU) agreement** with a certified testing laboratory.
2. The laboratory must possess valid **National Accreditation Board for Testing and Calibration Laboratories (NABL)** accreditation.
3. The final assessment report must be submitted within **10 days** from the date of the award of the contract.

### Additional Notes:

1. **Engagement Period:** Quotation rates will remain valid for **one (01) year** from the date of acceptance.
